APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of the waters of the Truckee River heretofore granted under claim No. 428 in the Temporary Restraining Order issued by the District Court of the United States in and for the District of Nevada, In Equity, Docket No. A3, is issued subject to the terms and conditions under said Temporary Restraining Order, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 0.18 c.f.s.

Actual construction work shall begin on or before November 30, 1945.

Proof of commencement of work shall be filed before December 30, 1945.

Work must be prosecuted with reasonable diligence and be completed on or before November 30, 1946.

Proof of completion of work shall be filed before December 30, 1946.

Application of water to beneficial use shall be made on or before November 30, 1947.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before December 30, 1947.

WITNESS MY HAND AND SEAL this 6th day  
of June, 1945.

Proof of commencement of work filed JAN 1 1946

Proof of Completion of work filed JAN 1 1946

Proof of Beneficial use filed JAN 16 1946
